HOW MUCH WILL IT COST?

The cost of higher education is more than just tuition and fees. It also includes:

- Room & Board
- Books & Supplies
- Transportation
- Personal Expenses

For the big picture, multiply your Total Student Budget by the number of years you are in school. Now you see why financial aid is so important.

Remember, this is just for ONE year!

COLLEGE NET PRICE

College "Net Price" is the difference between the full cost of college, minus any grants and scholarships which you receive. Net price calculators are available on schools' websites and allow you to enter info about yourself to find out what other students like you paid to attend the school in the previous year, after taking grants and scholarship aid into account. Visit collegecost.ed.gov for links to colleges' net price calculators.

The screenshot shows the College Affordability and Transparency Center website. The main heading is "Net Price Calculator Center". Below the heading, there is a question: "Do you want to know how much it will cost for you to attend college?" and an answer: "Enter the name of a college to find its net price calculator." A handwritten arrow labeled "1. Click" points to a calculator icon on the left. Another handwritten arrow labeled "2. Choose your school" points to the search input field. Below the main heading, there are sections for "What does Net Price mean?" and "What is a Net Price Calculator?".

FINANCIAL AID TIMELINE

Research, visit, and apply to schools.

Use collegecost.ed.gov and [MySmartBorrowing.org](https://mysmartborrowing.org) to see how much a degree will cost at your selected schools and calculate your expected student debt.

Search and apply for private grants and scholarships.

Create an account at [Fastweb.com](https://fastweb.com) and check with your school counselor and local organizations.

File the FAFSA and complete the PA State Grant Form.

File the Free Application for Federal Student Aid (FAFSA) at [FAFSA.gov](https://fafsa.gov). The info in this application is used to determine most of your aid package and should be completed as soon as possible after it becomes available October 1 of your senior year in high school.

Don't forget to follow the link to complete your PA State Grant Form on the FAFSA confirmation page. You may also visit [PHEAA.org](https://pheaa.org) to complete your form.

Compare financial aid award letters.

It is very important you understand how much of your aid package is free money, how much needs to be repaid, and how much you will still owe (the GAP).

Explore GAP financing options.

After you have exhausted grants, scholarships, work-study, and federal student loans, it's time to consider things such as personal savings, tuition payment plans, family assistance, and private loans.

Decide on a school and submit your enrollment deposit by the school's deadline.

Keep your info up-to-date with PHEAA.

Life is full of change. Log in to your PHEAA account at [PHEAA.org/accountaccess](https://pheaa.org/accountaccess) to verify that your personal and enrollment info is accurate. This will help expedite your PA State Grant and any other awards you might receive.

APPLYING FOR FINANCIAL AID

You and your family will want to find out if you qualify for financial assistance. Don't assume that you won't qualify — **nearly two-thirds of students receive some type of financial assistance**. You must apply in order to be considered.

4 TYPES OF FINANCIAL AID

GRANTS

Grant money is typically based on your family's financial situation. They don't need to be repaid, as long as you meet the requirements.

SCHOLARSHIPS

Scholarship money is typically awarded based on your merit or performance.

WORK-STUDY

Work-study programs offer career-related work experience, allowing you to earn money while working during school.

LOANS

Student loans must be repaid! There are various types, and some have better terms than others. It is important that you only borrow what you need.

Only as needed!

FREE APPLICATION FOR FEDERAL STUDENT AID (FAFSA®)

The FAFSA is the **MOST IMPORTANT APPLICATION** to complete for almost all types of financial aid. Many state, local, and private entities use the FAFSA to determine eligibility for grants and scholarships. The FAFSA is available October 1 for the upcoming award year. Since deadlines vary, complete the FAFSA as soon as possible so you don't miss out on financial aid.

If you plan to attend college from	You can submit the FAFSA from	Tax Info
July 1, 2019 – June 30, 2020	October 1, 2018 – June 30, 2020	2017
July 1, 2020 – June 30, 2021	October 1, 2019 – June 30, 2021	2018
July 1, 2021 – June 30, 2022	October 1, 2020 – June 30, 2022	2019

You do not have to pay to fill out the FAFSA. If you are asked for your credit card info while filling out the FAFSA online, then you ARE NOT on the official government site. Remember, the FAFSA site address has “.gov” in it.

FAFSA.gov is a secure website; it is the only secure and encrypted site that the federal government provides for students to file the FAFSA. If you don't have a computer, you may be able to use one at a library, school, or attend a FAFSA event in your community.

Pay attention to deadlines. File by the earliest federal, state, or school deadline.

3 STEPS TO FILE THE FAFSA!

STEP 1- Get Your Info Organized

The FAFSA asks for info about you and your financial situation. If you are married, you will need the same info for your spouse. If you are considered a dependent student, you will need your parents' info, too. **Check to see if you are considered a dependent student.**

You will need these items to complete your FAFSA:

- A Federal Student Aid (FSA) ID (username & password)
↳ Go to fsaid.ed.gov to create your FSA ID.
- Social Security number
- Your driver's license number, if you have one (optional)
- Alien registration number, if you are not a U.S. citizen
- W-2 Forms
- Records of untaxed income received, including workers' compensation, child support, payments to tax-deferred pension, savings plans, etc.
- Federal income tax return 1040 and accompanying schedules
- Current bank statements and records of stocks, bonds, 529 plans, and other investments
- Email address (optional)

WILL I NEED TO ANSWER QUESTIONS ABOUT MY PARENTS ON THE FAFSA?

Dependent students must provide household parental info on the FAFSA. In general, most students under the age of 24 are considered dependent.

Independent students are NOT required to provide parental info on the FAFSA. If you meet one of the following statuses, you are considered independent:

- 24 years of age or older by December 31 of the award year
- An orphan (both parents deceased), in foster care, or a ward of the court when 13 years or older
- Have legal dependents, other than a spouse
- An emancipated minor or in legal guardianship through the court
- An unaccompanied homeless youth
- A veteran of the U.S. Armed Forces or serving on active duty for other than training purposes
- A graduate or professional student
- Married or separated

STEP 2- Get Your FSA ID at fsaid.ed.gov

The FSA ID is a username and password you create and use to log in to certain U.S. Department of Education websites, including [FAFSA.gov](https://fafsa.gov), [StudentAid.ed.gov](https://studentaid.ed.gov), and [StudentLoans.gov](https://studentloans.gov). Your FSA ID also serves as your electronic signature.

If you are a dependent student, both you AND one of your parents require FSA IDs to electronically sign the FAFSA.

FAFSA FAQs

WHAT IF I NEED TO MAKE CORRECTIONS TO THE FAFSA?

Visit [FAFSA.gov](https://fafsa.gov) and use your FSA ID to access your FAFSA and submit corrections or changes.

SHOULD I FILE THE 2020-21 FAFSA OR THE 2019-20 FAFSA?

If you are applying for financial aid for the 2019-20 Academic Year, you need to file the 2019-20 FAFSA. Check with your school's Financial Aid Office if you need further guidance, especially if you plan to take summer classes.

WHAT SCHOOLS SHOULD I LIST WHEN ASKED, "WHERE DO YOU WANT TO GO TO SCHOOL?"

List any schools you are considering attending for the upcoming school year, listing your top school first. You may list up to 10 possible schools. The results of your FAFSA will be sent to all schools that you list. **Please keep in mind:**

- You can add and delete schools at any time.
- It's important to indicate if you will live on campus, off campus, or with a parent.
- You do not have to be admitted to a school to add the school to the FAFSA.

DO I HAVE TO REGISTER FOR SELECTIVE SERVICE?

All male students who are 18-25 years old are required by federal law to register with the Selective Service. This requirement applies to any person assigned the sex of male at birth. Failure to register by age 26 may result in permanent loss of federal student aid eligibility. If you select "Register Me" when you complete your FAFSA, the Selective Service will register you automatically. You can also register at sss.gov.

WHAT IS THE INTERNAL REVENUE SERVICE (IRS) DATA RETRIEVAL TOOL (DRT)?

The IRS DRT allows you to electronically transfer your federal tax return info into your FAFSA. The IRS DRT can be used by both students and parents. For security purposes, info that has been transferred over from the retrieval tool cannot be viewed or changed by the applicant. To learn more about the IRS DRT, visit StudentAid.ed.gov/irsdrdt.

WHAT ASSETS DO I INCLUDE ON THE FAFSA?

You may need to provide info about your assets on the FAFSA. In some cases, the FAFSA will allow you to skip the asset questions. Reported assets are based on net values, as of the date you submit your FAFSA.

Assets that you may need to report the value of include:

- Cash, checking, and savings accounts
- Investments such as stocks, savings bonds, CDs, and mutual funds
- Coverdell accounts owned by your parents completing the FAFSA or Coverdell accounts that you own
- 529 plans owned by your parents completing the FAFSA or 529 plans you own
- UGMA and UTMA accounts you own
- Custodial accounts
- Rental properties that you own

Assets that you DON'T need to report the value of include:

- Your family home, if it is your principal place of residence
- Your family farm, if the farm is your principal place of residence and your family materially participates in the farm's operation
- Your family business, if your family owns and controls more than 50 percent of a small business that has 100 or fewer full-time or full-time equivalent employees
- Life insurance policy
- 401k, 403b, non-education IRAs, Keogh, pension plans, and qualified retirement plans

MY PARENTS ARE DIVORCED OR SEPARATED. WHAT INFO SHOULD I PROVIDE ON THE FAFSA?

You should provide info for the parent you lived with the most over the past 12 months. Include info about any stepparent in that same household. If you lived with both parents an equal amount of time, provide info for the parent who provided you with the most financial support over the past 12 months.

WHAT IF I HAVE SPECIAL FINANCIAL CIRCUMSTANCES?

Sometimes, the info on the FAFSA doesn't represent your financial situation. If you and your family have an unusual financial situation, please contact the Financial Aid Office at the schools you are considering attending. The following examples are situations that a Financial Aid Office may be able to consider, in addition to your FAFSA info:

- Recent unemployment
- High medical expenses not covered by insurance
- Loss of income
- Death or disability of a parent or spouse
- Unusual circumstances

You may also go to [PHEAA.org/StateGrant](https://pheaa.org/StateGrant) for guidance about how to report this info to PHEAA with regard to PA State Grant eligibility. Contact PHEAA at 1-800-692-7392.

HOW DO YOU CALCULATE FINANCIAL NEED?

Once you complete the FAFSA, the Financial Aid Office at each school you apply to will provide a financial aid package that will outline your financial aid eligibility. A financial aid package is simply a list of the amounts and types of aid that you may receive from various financial aid programs.

Cost of Attendance (COA) – Your Expected Family Contribution (EFC) = Your Financial Need

PA STATE GRANT PROGRAM

The PA State Grant Program has awarded nearly \$11.4 billion to PA residents since 1965. PA State Grants are available to eligible Pennsylvania residents who are in need of financial assistance for undergraduate study at a PHEAA-approved postsecondary school.

Award amounts are subject to state funding and are based on your college costs and financial need. Grants are available for full-time or half-time enrollment. You must complete the FAFSA and enroll in an approved program of study that is at least 2 academic years in length. Additional requirements, including info about student requirements such as academic progress, can be found at [PHEAA.org/StateGrant](https://pheaa.org/StateGrant).

DO I HAVE TO BE A PA RESIDENT TO GET A PA STATE GRANT?

Yes, you must be a Pennsylvania resident, as outlined in the Pennsylvania State Grant law.

If you are 18 years of age or older—You must be a Pennsylvania resident for at least the 12 consecutive months before you file the FAFSA, excluding any time you are enrolled in a Pennsylvania postsecondary school, if you came into or remained in Pennsylvania for the purpose of attending a school or college.

If you are under 18 years of age—You must have a supporting parent or guardian who has been a Pennsylvania resident for at least the 12 consecutive months before you filed the FAFSA.

MUST I INCLUDE MY STEPPARENT'S INFO ON THE APPLICATION?

Yes, even if your stepparent does not financially contribute to your education. If the birth or adoptive parent whose info is included on the FAFSA has remarried, you must report both that parent's and stepparent's income and assets.

CAN I USE A PA STATE GRANT AT A SCHOOL LOCATED IN ANOTHER STATE?

Only schools located in reciprocal states are approved for participation in the PA State Grant Program.

A reciprocal state is one that permits its own state grant funds to be used by students attending schools in Pennsylvania. States that continue to support students attending schools in Pennsylvania include Delaware, District of Columbia, Massachusetts, Ohio, Vermont, and West Virginia. Students attending institutions in all other states are ineligible.

WHAT IS ACCOUNT ACCESS?

Account Access is PHEAA's online student portal that provides info in a single, secure site. With Account Access, you can participate in the PA State Grant Program, check the status of an aid application, update school choice and enrollment status, and review or update your personal info.

WHO IS AMERICAN EDUCATION SERVICES (AES)?

PHEAA conducts its student loan servicing operations commercially as AES. AES created Account Access to provide a way for borrowers to manage their loans online. PHEAA uses this secure service from AES to support students who participate in some of the aid programs which PHEAA administers.

AWARD LETTERS

After completing the FAFSA and being accepted, you will receive an AWARD LETTER that outlines the cost of the school and what kind of financial aid package you will receive. Schools format award letters differently, but they contain the same overall info:

- **Cost of Attendance** - This includes tuition and fees, room and board, books, supplies, travel, and personal expenses. If some of these are not listed on your award letter, check the school's website or contact their Financial Aid Office.
- **Gift Aid** - This includes all of the **FREE** sources of financial aid that the school is offering you and that you are receiving from federal, state, and other sources. Be sure to include any private scholarships not listed on the award letter.
- **Self-Help Aid** - This includes loans and work-study. Self-Help Aid is different from Gift Aid in that you must repay the funds or work to earn the funds.

Then do the math. "WHAT YOU STILL NEED" is the amount of money you are still responsible for after all aid has been applied. This is typically covered by family assistance, savings, private loans, or considering a less expensive school.

FEDERAL SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANT (FSEOG)	<ul style="list-style-type: none"> Priority is given to undergraduate students who receive Federal Pell Grants. Award amounts depend on the funding available at each school and the school's policy for awarding aid.

The hourly rate is at least the federal or state minimum wage, whichever is greater, and may be higher depending on the required job skills. FEDERAL DIRECT LOAN PROGRAM (FDLP)

Student loans are available to help students and families pay for higher education. If you need to borrow to help pay for your education, you will want to understand the loans available to you and how you will later repay those loans.

The federal government offers loans to students and parents to help with higher education expenses. These loans have fixed interest rates and flexible repayment options. To apply for a loan, you must complete the FAFSA and a Master Promissory Note (MPN), and meet all other eligibility criteria. Visit StudentLoans.gov for more info about the eligibility requirements and current interest rates.

DIRECT LOANS FOR STUDENTS

Undergraduate, graduate, and professional degree students may be eligible to borrow Direct Subsidized Loans or Direct Unsubsidized Loans.

Direct Subsidized Loans

On a subsidized loan, the federal government pays the interest while you are in school and during a 6-month grace period. To qualify, you have to apply for financial aid and show financial need.

Direct Unsubsidized Loans

On an unsubsidized loan, the federal government doesn't pay the interest for you while you are in school or during your grace period. The interest will be charged to you and you can choose to pay it or let it accrue (add up) and then begin payment on it when you begin full repayment of your loan. An unsubsidized loan costs more to borrow than a subsidized loan. Students often borrow a combination of both subsidized and unsubsidized loans.

PRIVATE STUDENT LOANS

Many lenders offer loans outside of the federal loan program called “alternative” or “private” student loans. These loans allow you to borrow money to cover the gap between the cost of your education and the amount of financial aid you receive. Worth checking out!

Borrow only what you need and exhaust all FREE or subsidized types of aid before using private loans.

Because student loans must be paid back, we always encourage students and families to borrow only what is needed to cover costs. If you need additional funds after obtaining financial aid through grants, scholarships, and federal loan programs, consider a PA Forward Student Loan.
