Grade 1

Week 1: June 9-12

All Things Living

Join us in an exciting adventure where young explorers can discover the wonders of nature and animals! Through hands-on activities, campers will learn about plants, animals, insects, and other living things in their environment.

050549-50258

Week 2: June 16-19

Four Seasons

Each of our four seasons has its delights and challenges. Summer, spring, winter, or fall- come and explore them one and all. We'll have fun with science, art, and play as we explore our favorite times of year.

050522-50260

Week 3: June 23-26

Imagination Station

A fun-filled experience where campers can let their creativity soar! Campers will dive into exciting activities like storytelling, arts and crafts, and pretend play, all designed to spark their imagination and help them create their own worlds.

050552-50261

Week 4: July 7-10

Astronaut Bootcamp

Space, the final frontier. Humankind has ventured beyond earth to explore the unknown. We are looking for cadets that have what it takes to explore space. Join our elite space force this summer and soar from one end of the universe to the other.

050554-50262

Week 5: July 14-17

Around the World

A fun journey to discover different parts of the world! Campers will "travel" to new continents each day, gaining an appreciation for the diversity of our planet while having fun with new friends. By the end of camp, campers will have a greater understanding of the world around them and a sense of curiosity about places far and wide!

050312-50263

Week 6: July 21-24

Animation Creations

A fantastic place for campers to explore the magical world of their favorite animated characters and stories! They'll dive into the creative process behind their beloved cartoons, discovering how animators bring characters to life. By the end of camp, campers will be inspired to create their own animated adventures and share their stories with friends!

050557-50264

Grades 2-4

Week 1: June 9-12

Game Show Frenzy

Step into the spotlight at Game Show Frenzy, where fun, creativity, and competition collide in the ultimate summer game show experience! This exciting camp lets campers play their favorite game shows while also learning how to create their own game shows from scratch. Game Show Frenzy is all about teamwork, creativity, and friendly competition.

050550-50271

Lego Challenge

Are you a Lego lover? This is the camp for you! Using the STEM concepts, a crazy amount of Legos and your imagination, you will plan, build, and engineer simple machines and various structures to complete a wide variety of fun and challenging tasks and creations. Bring some of your best creations to life by learning stop motion animation!

050530-50272

Get Moving, Keep Moving

If it's fun, fast, and furious, we are doing it. Move from one athletic activity to another; we will run races, play dodge ball, manipulate a giant parachute and other activities that will keep the heart pumping and put a smile on your face. We'll take a break from the physical to play a board game or two.

050528-50273

Week 2: June 16-19

Chef is In

Try your hand at making all new favorite mealtime recipes. From measuring ingredients to eating the final product, this camp will make you a master chef in no time! Remember a plastic container for taking home samples. Our culinary kitchen is used for a variety of classes and events so we cannot guarantee that there will be no cross contamination of ingredients; therefore, no recipe substitutions can be made.

050529-50266

Cardboard Creations

Unleash your creativity by building amazing projects from cardboard! Campers will learn how to transform simple boxes and tubes into sculptures, forts, vehicles, and more through hands-on building, design, and crafting. You'll explore problem-solving skills and teamwork while experimenting with different tools and materials.

050497-50275

Create Your Own Carnival

Welcome to the greatest show on earth. Step right up and take your place as you create and play a variety of fun carnival games and activities. Of course, we will have all the required for a carnival such as face painting, popcorn, balloon animals and more!

050551-50276

Week 3: June 23-26

DIY

Crafting all day for four days? YES, PLEASE! Join us to create wall hangings and room decor, tie dye originals, wreath design and so much more. So many things to make and finally enough time!

050180-50307

Basic Skills Academy

Do you love to learn? Do you need extra help in reading, language arts, and math? Then this camp is for you! We hit the books and make plenty of time for playing games.

050547-50278

Sugar on Top

Create a variety of sweet treats that are sure to satisfy your sweet tooth. Join us for this culinary adventure full of cake, cookies, and other desserts. Fine tune your baking skills as you explore the science and art of baking. Our culinary kitchen is used for a variety of classes and events so we cannot guarantee that there will be no cross contamination of ingredients; therefore, no recipe substitutions can be made.

050535-50267

Week 4: July 7-10

Mixed Media

Unlimited creativity is the goal. Using a variety of artistic techniques, mediums, styles, found objects, inspirations and influences, every day will be a creative adventure.

050533-50308

Fun in the Sun!

**Remember to
pack sunscreen and
a water bottle!**

Amazing Race

Great Challenges, amazing feats of daring- do, is what you'll need to pull you through. Every day you will face fun challenges and tests of skills as you and your fellow campers race toward the finish line and declare the winner of the Amazing Race.

050534-50282

All About Birds

Tweet Tweet, Chirp Chirp! In this camp, we will explore the fascinating world of birds and learn about their unique characteristics, behaviors, and habitats. Our activities will be designed to encourage curiosity, creativity, and a sense of wonder about the natural world.

050536-50283

Week 5: July 14-17

Outdoor Adventures

Enjoy exploring many of our 350 acres of rolling hills, meadows and beautiful oak grove in the center of main campus. Pitch a tent, take a nature walk, do some bird watching and see how many species you can identify on our Main Campus as you dive into environmental science.

050279-50311

World Travelers

An exciting adventure for students who love to explore new places and cultures! Campers will "travel" to different countries each day, learning about the people, foods, languages, and traditions that make each place unique. Through games, crafts, cooking, and storytelling, they'll experience the world from a fun and interactive perspective.

050506-50285

Pizzeria

Fire up the pizza oven! After you master the traditional cheesy pizza with red sauce you will take off on a pizza odyssey like never before. Create white pizzas, calzones, Stromboli, and even dessert pizzas. You'll never look at pizza the same way again. Due to varied classes, our kitchen may have cross-contamination. No substitutions allowed.

050538-50269

Week 6: July 21-24

Puppets Palooza

Get ready to bring imagination to life! The ultimate summer camp for kids who love storytelling, creativity, and hands-on fun! Throughout the week, campers will explore the magical world of puppetry by designing and crafting their own puppets, learning different puppeteering techniques, and bringing characters to life through storytelling and performance. Paper bag puppets, sock puppets, and marionettes. Build puppets, write scripts and present plays using your one-of-a-kind puppet creations.

050558-50288
