

Public Safety Training Facility

Driver/Operator—Aerial Proboard & IFSAC Certification Pathway

Valid Driver's License

Firefighter I ProBoard

Emergency Vehicle Operator Training Class
Not Required - (Certificate must say Aerial)
3/9 & 3/10 at Cranberry Twp. PSTC

Complete Driver/Operator - Aerial Proboard & IFSAC Certification

Written & Skills Test: Sunday, April 28.

Deadline to Submit Application: April 1.

Cost \$175

(Class fees waived for Active Butler County Firefighters because of the Cranberry Township Community Chest (CTCC) Volunteer Firefighter Initiative)

This certification is limited to the first 5 candidates that submit a completed application.

NOTE: For Skill Stations A, B, and C there are equivalencies that meet the competency criteria within these skill stations and will be accepted as successful completion of the stations. The following documentation is required:

- **Skill Station A** Preventative Maintenance: Valid CDL with no restrictions (Must have Tank and Air Brake Endorsement)
- **Skill Station B** Driving, Public Roadway: Valid CDL with no restrictions (Must have Tank and Air Brake Endorsement)
- **Skill Station C** Obstruction Navigation: Valid CDL with no restrictions (Must have Tank and Air Brake Endorsement) OR PSFA EVOT/EVDT/EVOC course, 16-hour (An EVOT OR EVDT certificate MUST indicate Pumper)

See Driver/Operator Candidate Handbook for more details.
